

Chaperone Consideration Form

Orlando, FL

May 19-25, 2024

Chaperone Cost - \$1,000

Thank you for considering being a chaperone for the upcoming trip to Universal Studios. As more things fall into place the more fun the trip promises to be. To help keep the trip groups manageable we are looking for at least 6 chaperones but can fit up to 8 if interest is there and hotel accommodations are available for our group.

We want to be very upfront about the fact that this will not be a normal vacation trip for our chaperones. We will be relying on you to help manage the students as we travel across the country with them. This includes group check-in with your 6-8 students, ensuring students follow school district and Universal Studio guidelines while traveling, and making sure students are following the schedule for the day and are at the proper locations on time just to name a few.

Chaperones will be selected by the directors and will need to submit themselves for a background check and approval from the school district. Employees of the school district will be given priority in the selection process. Unfortunately, chaperones will have a shorter timeframe to pay for their trip as we were not able to release information until after Universal Studios set their 2024 prices. Chaperones will need to follow the payment plan below, if selected, or they can pay the total cost upfront:

August - Deposit \$300

Sept - 400

October - 500

November - 600

December - 700

January - 800

Feb - 900

March - \$1000
