Instrument Rental Agreement Statement:

- I understand that I am responsible for returning the instrument(s) in the same condition that is described on this form.
- I understand that there is no rental fee due at the beginning of the rental agreement but I will help responsible for any and all repair or replacement cost associated with the instrument while in my care. This inclu
- My student may bring the instrument home to practice, but at any time if it is not being treated correctly, the instrument may be taken away or only allowed to be used at school.
- Should the instrument be damaged due to misuse, I will be responsible for paying for the repair or replacement cost before I will be issued the instrument again.
- I understand that my student is only required to pay one deposit if they use more than one school owned instrument but they are responsible for the repair or replacement cost of each instrument used.
- I understand that if my child mistreats the instrument or doesn't participate to their fullest extent in class that the student will lose access to this instrument.
- I understand that the instrument needs to be in a smoke free environment and can not be left outside in the elements. If the instrument is returned with smoke damage or water damage, I will cover all cleaning or repair expenses.
